

EuCAPT Astroneutrino Theory Workshop

Monday, September 20, 2021

CNB essentials: 1/6 Gariazzo (on-line) - Introduction on neutrinos and cosmology - Meeting room (10:00 AM - 11:00 AM)

Tuesday, September 21, 2021

CNB essentials: 2/6 Pastor - Basics of neutrino cosmology, neutrino decoupling - Meeting room (9:00 AM - 10:00 AM)

CNB essentials: 3/6 Pastor - Neutrinos and BBN, neutrino oscillations in the early Universe - Meeting room (10:20 AM - 11:20 AM)

Wednesday, September 22, 2021

CNB essentials: 4/6 Gariazzo - Basics of CMB and structure formation - Meeting room (3:40 PM - 4:40 PM)

Thursday, September 23, 2021

CNB essentials: 5/6 Pastor - Bounds on neutrino properties from cosmology - Meeting room (9:00 AM - 10:00 AM)

CNB essentials: 6/6 Gariazzo - Neutrino clustering and CNB detection techniques - Meeting room (11:20 AM - 12:20 PM)
