

# **EuCAPT Astroneutrino Theory Workshop**

## **Monday, September 20, 2021**

**Electromagnetic properties: 1/3 Studenikin (on-line) - Introduction to neutrino electromagnetic properties - Meeting room**  
**(11:20 AM - 12:20 PM)**

## Tuesday, September 21, 2021

**Electromagnetic properties: 2/3 Studenikin (on-line) - ElectroMagnetic properties of neutrinos in laboratory experiments and constraints on  $\mu$ ,  $d$ ,  $q$  and  $\langle r^2 \rangle$  - Meeting room (11:20 AM - 12:20 PM)**

# Wednesday, September 22, 2021

**Electromagnetic properties: 3/3 Studenikin (on-line) - Electromagnetic neutrinos: New effects in magnetic fields and matter**

**- Meeting room (10:20 AM - 11:20 AM)**
